MAHOMED DAVUD,
District Educational Officer.

MYSORE RAILWAYS.

MYSORE DIVISION (OPEN LINES).

Dated 6th December 1928.

Notice is hereby given that sealed tenders will be received at the Office of the Executive Engineer, Open Line Division, Mysore Railways, Mysore, on any day up to 2 P.M, on the 21st December 1928, from contractors who are willing to undertake the following works at Nanjangud Town Station :—

(1) Construction of one block of six units for Menials, and
(2) Earthwork.

2. Every tender should be accompanied by an earnest money of Rs. 100 which can be paid either in currency notes to the Executive Engineer, Mysore Railways, Mysore, along with the tender or can be paid to the Auditor, Mysore Railways, Mysore, and the receipt thereof enclosed along with the tender. Such of the tenderers who pay the amount to the Auditor should advice him that the amount is paid on account of a tender for the above noted works.

(*a*) Tenders should be submitted in special forms which can be obtained from the Executive Engineer, Mysore Railways, Mysore, on payment of Re. one.

3. The earnest money of the unsuccessful tenderers will be returned as soon as possible after the tenders are disposed of.

4. Tenders which are not accompanied with the earnest money specified in para 2, will not be considered.

5. The successful tenderer should execute within a week from the date of notification of acceptance of his tender, the usual Railway Schedule Agreement. Failure to comply with this condition will render the tenderer liable for forfeiture of the earnest money.

6. The name of the accepted tenderer will be posted on the Notice Board of the Executive Engineer's Office. No enquiries regarding the acceptance or rejection of a tender will be replied.

7. The final acceptance of the tender will rest with the Agent, Mysore Railways, Mysore, who does not bind himself to accept the lowest or any tender and who further reserves to himself the right to reject, without assigning any reasons therefor, any or all the tenders.

8. Work should be started within a week from the date of acceptance of tender, and a uniform monthly rate of progress should be guaranteed. The work agreed on should be completed in five months from date of starting. The Schedule gives the approximate quantity of work and this quantity is not guaranteed.

9. The time limit specified in para 8 should be strictly adhered to and any violation of this will render the contractor liable to forfeit his 5 per cent deposit amount under Clause No. 10 of the Schedule Agreement, not as a penalty but as ascertained and liquidated damages recoverable accordingly.

10. Plans and specifications and other details of work to be done are available for inspection, in the Executive Engineer's Office, Mysore Railways, Mysore, where intending tenderers may call and obtain required information during office hours.

11. In all matters of dispute regarding rates, measurements, quality of work, etc., and in all disputes of any kind, the decision of the Engineer-in-Chief will be final and legally binding.
